the 2nd and last Wednesdays of each month at 7:30 P.M.

# Warrant of Annual Town Meeting

---

COMMONWEALTH OF MASSACHUSETTS

FRANKLIN SS:

GREETINGS:

To either of the Constables of the Town of Whately in the County of Franklin:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said town, qualified to vote in elections and town affairs, to meet in the Town Hall in Whately on Tuesday, the twentieth day of February next at 12 o'clock noon.

Then and there to bring in their votes to the election officers for the following officers: Moderator, Treasurer, one Selectman for three years, one Assessor for three years, one School Committee for three years, one Regional School Committee for three years, one Tax Collector for three years, two Library Trustees for three years, one Cemetery Commissioner for three years, one Tree Warden for three years, Auditor, Elector under the Will of Oliver Smith.

The polls will be open for voting from 12:00 noon until 7:00 P.M.

And you are directed also to notify and warn the inhabitants of the Town of Whately, qualified to vote in

town affairs, to meet at the Town Hall in said Whately, on Saturday the twenty-fourth day of February next at 1:30 o'clock in the afternoon and then and there to act on the following articles:

ARTICLE 1. To raise and appropriate such sums of money as may be deemed necessary to defray the expenses of the town for the period from January 1, 1973 to June 30, 1974.

ARTICLE 2. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen-month period beginning January 1, 1973 in accordance with General Laws, Chapter 44, section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, section 17.

ARTICLE 3. To see if the town will authorize the Selectmen to prosecute and defend all suits that may be brought in behalf of, or against, the town, and to employ counsel for same.

ARTICLE 4. To see what the town will do with the money received from the County, called the Dog Fund.

ARTICLE 5. To see if the town will vote that the Cemetery Commissioners be authorized to act as Sextons, their compensation for cemetery work and for opening of graves to be fixed by a vote of the town, or take any other action relative thereto.

ARTICLE 6. To see if the town will vote to accept any Trust Funds that may have been given to the town during the year 1972.

ARTICLE 7. To see if the town will vote to fix the salaries and compensation of all elective officers of the town, as provided by General Laws, Chapter 41, section 108: Moderator, Selectmen, Town Clerk, Assessors, Auditor, Treasurer, Collector of Taxes, Elector under Will of Oliver Smith, Constables, Tree Warden and School Committee.

ARTICLE 8. To see if the town will authorize the Selectmen to enter into agreements with the Massachusetts Department of Public Works and the Franklin County Commissioners for the maintenance and construction of highways during the 18-month period from January 1, 1973. (Recommended)

ARTICLE 9. To see if the town will raise and appropriate the sum of \$3,045. for 1973 and \$3,045. for 1974, for the maintenance of highways under the provisions of Chapter 81, General Laws. (Recommended)

ARTICLE 10. To see if the town will raise and appropriate the sum of \$2,500. for 1973 and \$2,500. for 1974, for the maintenance of highways under the provisions of Chapter 90, General Laws, said money to be used in conjunction with State or County funds, or both. (Recommended)

ARTICLE 11. To see if the town will raise and appropriate the sum of \$3,850. for the construction of highways, under the provisions of Chapter 90, General Laws, said money to be used in conjunction with State or County funds, or both, to continue work on Chestnut Plain Road. (Recommended)

ARTICLE 12. To see if the town will raise and appropriate the sum of \$230,347.50 for the operation and main-

tenance of local schools during the 18-month period, January 1, 1973 to June 30, 1974. (Recommended)

ARTICLE 13. To see if the town will raise and appropriate the sum of \$210,268.10 for the town's share of the Capital and Operating expenses of the Frontier Regional School District during the 18-month period, January 1, 1973 to June 30, 1974. (Recommended)

ARTICLE 14. To see if the town will raise and appropriate the sum of \$250.00 for Memorial Day Observance in 1973 and 1974. (Recommended)

ARTICLE 15. To see if the town will appropriate from the S. White Dickinson Library Fund, the sum of \$3,800. to be used towards the operation and maintenance of the library, during the 18-month period from January 1, 1973 to June 30, 1974. (Recommended)

ARTICLE 16. To see if the town will appropriate from the State Aid to Libraries Fund, the sum of \$1,000.00 to be used towards the operation and maintenance of the library during the 18-month period, January 1, 1973 to June 30, 1974. (Recommended)

ARTICLE 17. To see if the town will raise and appropriate the sum of \$734.76 as the town's share of the operating costs of the Tri-Town Beach District during the 18-month period from January 1, 1973 to June 30, 1974, any money received by the District for admissions and concession leases to be retained by the District to be used in each of the following years to reduce the annual appropriations therefor by the member towns; or take any other action relative thereto. (Recommended)

ARTICLE 18. To see if the town will authorize the Selectmen to accept from the County of Franklin a sum

of money for the suppressing of pests under Chapter 132, General Laws, or for Dutch Elm Disease Control, and to use such money for said purposes during the year of receipt, or take any other action relative thereto. (Recommended)

ARTICLE 19. To see if the town will vote to appropriate from the Road Machinery Earnings Fund the sum of \$3,000.00 for the purpose of purchasing a 1973 pickup for the highway department, trading in the 1965 Dodge pickup; or take any other action relative thereto. (Recommended)

ARTICLE 20. To hear the report of the fire-truck investigation committee, and to act thereon. (Recommended)

ARTICLE 21. To see if the town will establish a Regional Refuse Disposal Planning Committee, consisting of the Board of Selectmen and four other persons to be appointed by the Moderator, to study the advisability of joining with one or more contiguous towns to form a Regional Refuse Disposal Planning Board; and to require said committee to submit a report of its findings and recommendations to the town at a subsequent meeting. (Recommended)

ARTICLE 22. To see if the town will raise and appropriate a sum of money to erect a chain-link fence at the Christian Lane border of the Youth League ball-field, or take any other action relative thereto. (Not recommended)

ARTICLE 23. To see if the town will vote that the Anniversary Celebration Committee be authorized to turn over all remaining souvenirs, medals and booklets to the Whately Historical Society, for the sum of \$1.00, and that

the said Celebration committee be discharged with thanks.  
(Recommended)

ARTICLE 24. To see if the town will authorize the Selectmen to execute a lease to Gertrude C. Bardwell for a term of five years from March 1, 1973, to certain land owned by the town adjoining the town hall, for use as a Post Office site. (Recommended)

ARTICLE 25. To see if the town will raise and appropriate the sum of \$500. for the purpose of participating in anniversary celebrations of neighboring towns, and authorize the Moderator to appoint a committee of five persons to assist in preparing a suitable float for same. (Recommended)

ARTICLE 26. To see if the town will vote to accept the provisions of Chapter 44, section 53C, as amended, relating to off-duty police work, and raise and appropriate the sum of \$500. to establish a revolving fund for the purposes of said law. (Recommended)

And you are directed to serve this warrant by posting up attested copies thereof in two public places in said town, seven days at least before the time of holding said meeting.

Hereof, fail not, and make due return of this warrant with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands and seals this seventh day of February in the year of our Lord one thousand nine hundred and seventy-three.

WALTER R. ORLOSKI  
CECIL M. DICKINSON  
WILFRED J. MEUNIER, Jr.

Selectmen of Whately

(This copy of the warrant is for information only, and may be revised prior to the official posting).

VIRGINIA C. ALLIS,

Town Clerk

## Selectmen's Report

---

To the Citizens of Whately :

In accordance with the provisions of law, we herewith submit our report for the year 1972. The cooperation of the various town officers in preparing these records is much appreciated.

As for the activities of this Board, we have finally caught up on our Chapter 90 Construction contracts, and where we have been operating on two contracts each year, since the year when work was suspended, we are now ready for a single 1973 contract, and consequently will not be able to cover as much ground as in recent years. Work will continue on Chestnut Plain Road, working toward the center.

Our Chapter 81 money is, as always, short of needs, and must be limited to maintenance alone, where we were formerly able to do some permanent work from these funds.

We are petitioning the Franklin County Commissioners for a survey layout for the so-called "Old Masterson Road", which is commencing to build up and should be legally laid out to suitable current standards, before land damages become excessive.

We have not yet accepted the Conway Road from the Northampton Water Department, as there are several items that require correction.

The bridge on North Hatfield Road, known as "Teeter Bridge" was partially rebuilt for safer passage. We have

one bridge on Williamsburg Road to be replaced this year, with materials already on hand.

At the start of the year, we purchased a Hough Pay-loader through Civil Defense for a small handling cost. It has saved the town in a good many ways, and was used by the Water District project with great savings to the district.

We feel that the old highway pickup (1965 Dodge) has served its purpose and should be replaced. Our old grader is still holding up, and we do not know how much longer. We still have confidence that we may get a used one through Civil Defense, a requisition having been in for some months.

The town dump situation is still unsettled. We have attended several meetings to see if the problem could be solved, but no definitive answers have been arrived at. The hours at the dump are set to satisfy the majority of the people, and we are sorry if not all find them convenient.

We have issued 15 permits for new houses this year (not all have been built), besides numerous permits for garages, alterations and signs. These all require considerable time for applications and investigation, as well as septic tank permits, plumbing permits, occupancy permits, all time-consuming. Note the list of permits and licenses in the Treasurer's report, many new types required by recent laws.

We want to thank Mrs. Olive Damon for the group of paintings of the various town buildings, donated to the community room. These involved considerable time and effort on her part, and add a great deal to the decor to the room. They are deeply appreciated.

WALTER R. ORLOSKI, Chairman

CECIL M. DICKINSON

WILFRED J. MEUNIER, Jr., Clerk

	375,818.06	214,651.03	590,469.09	

The implementing of the State Legislature's edict that all cities and towns convert to the Fiscal Year of July 1 to June 30th, compels us, in 1973, to make appropriations covering the 18-month period Jan. 1, 1973 to June 30, 1974. The complications of this are many, but we have attempted to make recommendations in such a way that will make clear to the voters what funds are necessary.

To do this, we have set up the requirements for the normal 12-month (Jan. to Dec. 1973) year, a separate figure for the 6-month (Jan. to June, 1974) period, and a total which is the item which we feel must be appropriated at our town meeting.

At the time of our Finance Committee meetings, in January, it is not known how the tax bills will be rendered, for the total 18-month budget or for a one-year and a 6-month figure. In either case,  $\frac{2}{3}$  of the total will be payable Nov. 1st, 1973 and  $\frac{1}{3}$  May 1st, 1974, with interest, if unpaid on these dates, from Oct. 1st and April 1st.

Predictions of a probable tax rate for 1973 are difficult to arrive at, since so much depends on the "Cherry Sheet". We do know, however, that our 12-month recommendations are somewhat higher than last year, and that we have a carry-over of \$3,782.04 of County Tax and \$1,038.56 of 1972 Overlay (abatements) underestimates that must be raised in 1973. Also we have so little "free cash", due to late Motor Vehicle Excise commitments, that we cannot advise any use of it for reduction of the tax rate. This must be conserved for emergency appropriations during the 18-month period. A new "free cash" determination cannot be made until June 30, 1974.

Special appropriation items are for a new pickup truck for the highway department, which is an absolute necessity. This will be paid for from Road Machinery earnings, so will not affect the tax rate. Since both Deerfield

and Northfield in our County are conducting anniversary celebrations this year, we feel it necessary for us to reciprocate by participating. A new or renewed float should be provided. \$500 is recommended for this purpose.

A requirement by the Internal Revenue Service that the town pay police officers assigned to traffic or protection duty for construction and other activities requires the adoption of a vote of the town to do so, the expense to be reimbursed by the contractor or operator. A revolving fund is necessary to start this off, but should be self-sustaining in the future.

A request for a chain-link fence at the highway side of the Youth Ball-field seems unnecessary at this time, since the present snow-fence can be inexpensively repaired and maintained by our own employees. We do not recommend this article.

The assessors have asked that their clerk be given an increase of \$100.00 per year, since she will be taking on more of the detail work of the office. The tax collector has requested an increase, due to the complications coming up in the 18-month fiscal-year change, and we are including a \$100.00 increase for him, also.

The following are our suggestions for 1973:

Moderator	\$ 25.00
Selectmen, Chairman	350.00
2 @ 200.00	400.00
Auditor	100.00
Treasurer	750.00
Tax Collector	1,300.00
Assessors, Chairman	450.00
2 @ 400.00	800.00
Assessors' Clerk	500.00
Registrar's Clerk	50.00
3 @ 25.00	75.00
Town Clerk	250.00

Appointed:	
Police and Constables	450.00 (@ 2.50 hr.)
Secretary to Selectmen	400.00
Town Counsel	1,000.00 (estimate)
Assistant Registrars	125.00
(Street List)	
Election Officers	200.00 (@ 2.50 hr.)
Elector under Smith Will	10.00
Dog Officer	150.00
Fire Chief	200.00
	<hr/>
	\$7,585.00

Use \$7,600.00

School Committee: 3 @ 125.00  
in school budget

Respectfully submitted,

WALLACE E. GRAVES, Chairman  
MYRON A. MAIEWSKI  
CARL R. BROOKS  
JOSEPH R. RUP  
DOROTHY A. BARONAS  
HAROLD R. SWIFT, JR.  
PAUL F. FIELD, Clerk

 91.6% of current property taxes (Real and Personal)  
 are collected. Commitments of 1972 Motor Vehicle Ex-  
 cises are short about \$9,000. Consequently collections  
 of these is seriously delayed, with an undesirable affect  
 on our available free cash at the end of the year. The  
 usual fine cooperation of our tax-payers is appreciated.

EDWARD D. SMIAROWSKI,  
 Tax Collector

## Town Auditor's Report

---

To the Citizens of Whately:

During January 1973, I examined the Tax Collector's and Treasurer's records, thus completing my twentieth consecutive audit of these accounts for the Town of Whately.

Each year these accounts have been kept accurate and as nearly up to date as is humanly possible. This year is no exception.

This effort on the part of the officers involved is deeply appreciated by your Auditor because it enables him to prepare an accurate report in the relatively short time between the close of business, December 31st, and the deadline when reports must be submitted for the Annual Report.

Tabulated information regarding the many transactions with which the Town has been involved during 1972 appears elsewhere in the Town Report so I will omit details.

Savings Bank pass books of the many area banks having deposits of Trust and Investment Funds for the Town of Whately were examined in detail. No discrepancies were found.

Bonds in the vault at the First National Bank in Northampton were examined in detail and found in good order.

Verification of the bank balance and actual count of cash on hand revealed that your Treasurer had on hand and due the Town of Whately, December 31, 1972, the sum of \$59,435.89.

Again, I wish to thank the officers involved for their continued cooperation with me.

Respectfully submitted,

MORRIS R. DWIGHT,

Auditor

## Report of the Planning Board

---

To the Citizens of Whately :

The Planning Board started the year with unfinished business from last year. We had arrived at the point in our planning where it appeared that some of our Zoning by-laws should be clarified.

With the help of the Town Attorney, we made some revisions that were presented to the town at a hearing on April 19th. We discussed multi-unit dwellings, trailers and mobile homes, and defined dwelling units and families. As a result, the by-laws were revised.

We were invited by the Selectmen to meet with them on July 8th to view the present dump-site, and discuss the future prospects. As a result of this meeting we recommended to the Selectmen that they should continue the development of the present dump-site by adding to it parcels of adjoining land, if possible.

Albert Zaskey attended several meetings during the year where planning on the County and State levels were discussed. He also attended a five-session series on Industrial Development at the University.

With the removal from town of Planning Board member, Donald DeLano, Mr. Alfred J. Hoynoski was appointed to the Board to replace him.

Respectfully submitted,

ALBERT B. ZASKEY, Chairman  
STEVE M. OLYNIK, Vice-Chairman  
ELLIOTT R. BARKER, Jr., Secretary  
GEORGE A. HOLICH  
ALFRED J. HOYNOSKI

Planning Board

# Cemetery Commissioners Report

---

The Cemetery Commissioners herewith submit their annual report for the year 1972.

The routine maintenance in the (3) cemeteries account for the major expenditures for 1972. Additional mowing was necessary due to the unusually wet spring and summer.

We intend to allocate additional money from our regular budget to catch up with some much needed maintenance in the West Cemetery.

The need for requiring additional land still exists, however, the Finance Committee has requested no unusual expenditures until the new budget system is implemented.

Respectfully submitted,

KENNETH A. DANIELS, Chairman

ADELIA A. BARDWELL

MICHAEL R. MORAWSKI

# Report of Public Health Nursing Committee - 1972

---

December 30, 1972

To the Citizens of Whately:

The Public Health Nursing Advisory Committee, comprised of three members from each of the following four towns: Ashfield, Conway, Sunderland and Whately, had two regular and two special meetings during the year of 1972. The reason for the additional special meetings was that it was very difficult to locate a substitute nurse.

The officers are: chairman, Mrs. William L. Hubbard; vice-chairman, Mrs. Robert Davis, and secretary, Mrs. Peter P. Orloski. Our certification by Medicare was approved and we voted to increase the nurse's salary to \$6,120.00, which is within the Federal guidelines.

We are very grateful to Mrs. Lorraine Strippe for her dedicated and conscientious work in the double role of School Nurse and Public Health Nurse.

Should you not be able to contact her in her office at the Sunderland Town Hall, call one of the members of the committee representing your town. In Whately, they are Mrs. John B. Baker, Mrs. Peter P. Orloski and Mrs. James Wood.

ELEANOR S. HUBBARD,

Chairman

## Report of Public Health Nurse

---

To the Citizens of the Town of Whately :

Home nursing visits have been at a minimum this year.

Our agency, which covers the towns of Sunderland, Whately, Conway, and Ashfield, still remains certified which means we are able to receive payments for visits from Medicare and Medicaid where applicable. Increasing demands and standards for accreditation may put a strain on a small agency such as ours. We are working with other agencies who face the same crisis in hopes of a solution.

Communicable diseases have been at a minimum mainly due to the various protective immunizations which are now available for the young child.

May I stress the importance of a yearly physical examination by your family physician. Early detection of many illnesses is essential for complete recovery.

Summary 1972 :

Home Visits — 66

Receipts — \$154.95

Mileage & Expenses — \$89.54

In closing, I wish to thank all for their support in our program, especially the nursing committee representatives of your town — Grace Baker, Betty Orloski, and Carol Wood.

Respectfully submitted,

LORRAINE STRIPPE,

Public Health Nurse

# Report of the Deerfield - Whately Veterans' Service District

ALEC C. SOKOLOSKI,

Director and Veterans' Agent

## **Report of Tree Warden and Moth Superintendent**

---

To the Citizens of Whately :

All but two Elms which were tagged in 1971 were cut down and removed. However, 30 Elms were tagged in 1972 which were proven by the State Lab., to have the Dutch Elm disease. Also, there are other Elms that were too far gone to be tagged and are subject to come down.

Poison Ivy which was making a come back as noted in last year's report, has been sprayed throughout the Town.

Twenty-One Maples were planted and some of these were replaced as they became broken or damaged. Several large Maples with decayed centers, which would be costly to prune have been cut down. There are species other than the Maples that are in the same condition due to age that remain a hazard to the public and will be cut down.

All necessary pruning has been done. The co-operation and assistance of the Utilities and the Dept. of Natural Resources has been greatly appreciated.

Respectfully submitted,

**MICHAEL FARRICK,**  
Tree Warden and Moth Superintendent

## **Report of Town Hall Renovation Committee**

---

To the Citizens of Whately :

It has been difficult to get skilled help to complete the renovation project this year, but practically all that was planned has been accomplished. A small amount of money is left to complete the minor items remaining, and these will be taken care of as soon as possible.

A complete paint job on the exterior of the building should be provided before long, but that is not within the plans of this committee.

Respectfully submitted,

WALTER R. ORLOSKI

SABIN P. FILIPKOWSKI

PAUL F. FIELD

FRED W. BARDWELL

RALPH K. FARRICK

Committee

## Report of Library Trustees

---

To the Citizens of Whately :

We have been quite successful in making the necessary repairs and painting of the building with a minimum of cost, much less than was anticipated. There is still some interior painting needed which will eventually be done by our board members as time permits.

More shelf space is imperative and we hope some can be provided this year. Note the Librarian's report showing 13,500 books in a building designed for 7,500 to 8,000.

The State grant of \$1,000 came through too late to be appropriated at the 1972 town meeting, but is being used in the 1973-4 18-month budget. Hopefully we will have a further grant in 1973 to help out later on.

The continued support of the public indicates that our work is appreciated, and we hope to continue to merit that support.

Respectfully submitted,

SABIN P. FILIPKOWSKI, Chairman

HERBERT F. STEEPER, Secy.

MURIEL F. BARKER

MERIT P. WHITE

ERNEST E. BELANGER

PAUL F. FIELD

## STATISTICS' SUMMARY

1,344 more books, publications, pamphlets and recordings were borrowed in 1972 than in 1971. The Bookmobile circulation was down by 2,030 due to canceled trips and fewer demands.

Adults are reading more. For the second year in a row adult reading topped juvenile — with a difference of 11,834. Fiction at the top, followed by controversial best-seller non-fiction, cook books, home decorating and how-to books, with biography retaining its long time popular appeal.

The young from third grade through high school researched reference projects using the wide spectrum of sources available with knowledge and expertise. Mrs. Violet Durgin of Forbes Library continued to exert her skills on behalf of Whately students and patrons; tracking down obscure references, finding out-of-print books, locating old magazine articles.

## THE YEAR IN REVIEW

It was a year as good as it was filled with events.

To Paul F. Field and Ena M. Cane the February surprise party celebrating the publication of the up-dated history, *Whately 1771-1971: A New England Portrait* was the high point of the year. Planned by Historical Society, the Trustees of the Library and the Ladies Benevolent Society, it was kept secret by the whole town. Fred Bardwell, Chairman of the Bicentennial celebration, MC'd and programmed the affair. From the prayer for historians given by the Reverend Mr. Reed, to the talk by Alice Scott Ross and Walter Orloski's speech when he presented both authors with gifts from the town in appreciation for the hours of work over the years the history entailed, it was an unforgettable occasion. Cakes and punch and distinguished visitors from the area made it a red letter day in the lives of both authors.

In spring the Library displayed the results of the PTA sponsored *Enrichment Programs* in Whately's six grades. The exhibit of arts and crafts was popular and delighted the Library public.

Mrs. Idelle Denehy showed a collection of her hand-made *May baskets* in May that was written up by Alice Scott Ross in the Springfield Union. People came from Springfield and Longmeadow and the surrounding towns to enjoy the nostalgic memories they brought back.

*Story Hours* were given throughout the summer with stories followed by cookies and coolaid. Their popularity was due to story-tellers Adelia Bardwell, Jan Roberge, Jean Siano and Nancy Steeper.

The nineteenth annual *Christmas Story Hour* was attended by 101 youngsters and parents who sang carols, enjoyed the Christmas tree story by Nancy Steeper, then watched the Disney cartoon, "Pluto's Christmas Tree" twice, finishing off the event with cookies and ice cream.

Making it all come true: Fred Bardwell, Frank Farrick, Sabin Filipkowski, and Peter Orloski.

In July the Library had its face lifted with *fresh paint* on bricks, facade, pillars, doors and windows as well as railings. The ground plantings were trimmed, the lawn kept as fresh as a golf course. With the flower boxes filled with geraniums the Library was one of the loveliest places in Franklin County.

After a power black-out in September the Library installed a *double emergency light* in the main room in case of further power outages.

This year's twentieth *Christmas Book Fair* featured children's paperback books instead of hard-cover ones. They proved extremely popular and sold like the proverbial hot cakes under the enthusiastic guidance of Jean Siano, Ellen Fleuriel, Terry and Mary Belanger and Ena Cane. Success was due to the generosity of the town, the skills of the Trustees, and the hard-working committees. Special thanks are due Kit Fleuriel who organized the bake-table with help from Lynn Scott, Marion Carter whose entrancing knitted hens were sold out early in the day and who took care of all Library business on the day itself.

The great boost to the Fair's financial success came about through Trustee Muriel Barker whose vignette of the Library in winter on stationery sold out completely, who also made good luck birds in nests for Christmas trees; through Ernest Belanger whose custom-made jewelry had immediate appeal; and the Herbert Steepers whose fascinating bargello kits proved popular for Christmas giving. Other donors whose generosity swelled Book Fair coffers include Olive Damon for her snow-scape brook, Kathryn Davidson who for the eighth year contributed one of her paintings, this one a Rockport sea scene, Eugene Wood whose heritage miniatures are in-

stant museum pieces for the beautifully crafted furniture he made. Constance Futter once again donated a basket of brushes for every house's happiness. Decor was by the six Whately grades under the direction of Miss Marlaine Antes, Art Supervisor.

This year's proceeds added to last have made possible the purchase of the 18 volume *International Encyclopedia of the Social Sciences*, a valuable reference tool for high school and community college students.

*Christmas-time* at the Library was memorable for the beautifully lighted spruce on the lawn that shone for travelers along route 5 & 10 and 91 as well as for the town.

*Gifts* throughout the year have been many and generous. They include Edna William's gift of the Yale Gazette that had in it an article about the Thomas Whately-Governor Hutchinson letters; periodicals from the Elliott Barkers, Ernest Belanger, Paul Field, the Leon Mortons, the William Dwyers, the Albert Graves, and Merit P. White; out-of-print Joseph Lincoln books from Mrs. Mary Wheelock of Amherst, books on Old Deerfield and paperbacks from Jean Lisewski, new replacements for many worn out, well loved stories from Adelia Bardwell; uncounted books of natural history, archaeology, ecology, and history from Paul Field who gives books, recordings, time, and help in handling Book Fair Funds year in and year out; The Milton D. Soffers for establishing the book fund memorial to Richard Warner LaSalle, whose untimely death was so deeply mourned; the Leon Mortons for the South Asian coins and scrip they gave to the Historical Collection; The Charles Bardwells for their gift of old Whately photographs identified, with subjects named by Gertrude Bardwell; Marion Carter whose assistance throughout the year goes far beyond desk-attendance, whose extra labors keep the Library functioning smoothly; and Peter Orloski who maintains the Library's appearance inside and out, finds wood for the fireplace and lays

the well-loved Saturday hearths throughout the winter.

The above are but a handful of names out of a townfull of people who support the Library in innumerable ways in this town that likes to read.

Respectfully submitted,

ENA M. CANE,  
Librarian

## Treasurer's Report - Bicentennial Committee

---

On Dec. 31, 1971, I had received \$38,501.53 and spent \$35,000. During the year I received from sale of:

Pottery	\$84.04
Medals	28.00
Flags	10.00
WHATELY — 10	
Souvenir Books	484.50
Souvenirs	85.50
Interest	76.59
	<hr/>
	\$768.63*

\*\$75.00 turned over to the Town Treasurer after Jan. 1,

1973

Robert Rodriguez operated the liquor concession for the Bicentennial Committee. Gross income was \$4,622.00 and expenses were \$3,322.65, leaving a profit of \$1,299.35. Of this, \$609.67 was used to pay the balance of the bill for the Souvenir Books and other bills that came in late. The balance of \$698.68 was turned over to the Treasurer.

This made the total received \$39,959.84 and with the expenses of \$35,000 leaves a profit of \$4,949.84.

There is a large inventory of souvenirs and publications left. It is the recommendation of the Bicentennial Committee that the following be given to the historical society: approximately

1400 program books  
176 glasses  
4 bells  
45 tiles  
465 souvenir books, "Our Wonderful Whately"  
117 bronze medals

Once again I would like to thank everyone who worked so hard to make our bicentennial a success.

Respectfully submitted,

JAMES H. LaSALLE Jr.

Treasurer, W.B.C

Practical Nursing Program,  
Smith Vocational School

## GENERAL POLICY CONCERNING "NO SCHOOL"

It will be the policy to close school only in cases of extreme weather conditions. When schools are open on stormy days, parents are urged to exercise their personal judgment as to the wisdom of sending their children to school. If it is necessary to close school, notification will be broadcast over Radio Station WHAI, Greenfield; WHMP, Northampton; WHYN, Springfield, and WTTT, Amherst.

## CENSUS

All citizens are urged to cooperate with the school department (through the local school census enumerator, listed under staff in this report, or through the superintendent's office) in providing information necessary to formulate a count of minors whose parents reside in the town on October 1 of each year—including pre-school and school-attending school (exclusive of college). Parents of children attending schools outside the jurisdiction of the town and Frontier School committees are especially asked to contact the school department with this information. These figures are very important; they actually form the basis for state aid to the town.

## SCHOOL CALENDAR

September 1972 - June 1973

1972

September 6  
October 9

Schools open  
Close, Columbus Day

October 23	Close, Veterans' Day
November 22	Close, 12:00 Thanksgiving recess
December 22	Close at the end of the regular school day for Christmas recess.

### 1973

January 2	Schools reopen
February 19	Close, Winter recess
February 26	Schools reopen
April 16	Close, Spring recess
May 28	Close, Memorial Day
June 20	Close, Summer recess

# Report of Superintendent of Schools

---

Mr. Sabin Filipkowski, Chairman

Whately School Committee

Whately, Massachusetts

Dear Mr. Filipkowski :

I wish to submit to you my annual report as Superintendent of School Union #38.

## CURRICULUM

Whately has made, during the past several years with the other towns of School Union #38, new adoptions in Social Studies and Reading. These changes were based upon recommendations made by Teacher Curriculum Study Groups, reviewed by the administration, and approved by the School Committees.

This past summer a committee consisting of Mr. Harry Bovio, Chairman; Mrs. Emily Green, Secretary; Mr. Thomas Bell and Mrs. Patricia O'Leary investigated new programs in Science and Health. The Superintendent of Schools earlier had contacted the Pittsfield Regional Office of Education for a listing of outstanding science and health programs recommended by or already in use in other school systems. This material was referred to the study committee for their analysis and recommendations. After due study and review, the following programs were recommended :

1. *Experiences in Science* (McGraw Hill Book Co.)  
This makes use of the laboratory approach and expands the science offerings. This program has been reviewed by the Principals' Committee and the various School Committees. It is anticipated that budget provisions will be made to start the program in grades 4-6 in September of 1973.
2. *Health and Growth* (Scotts, Foresman Book Company). This recommendation has also been reviewed by the Principals' Committee. However, it is doubtful if it could be adopted for September 1973 because of the added expense involved in the eighteen month budget.

Mrs. Montague and Miss Straney have continued the chorus and instrumental program started last year for the fifth and sixth grade pupils who practice during after school hours. This activity starts in late January and has a final concert in May. It is anticipated that such experiences will provide a realistic feeder system for the Regional School. In addition, enjoyment and success in such an activity provide for later cultural enjoyment in adult life. The elementary instrumental program conducted by Miss Straney has enrollments as follows:

	Grades 4-6
	Totals
Conway	5
Deerfield	56
Sunderland	22
Whately	14

Workshops have been continued on a regular schedule. Some of the more important ones during the past year have been on Learning Disabilities, Audio Visual Aids, Goals of Education, and a revision of report cards for the elementary schools. The latter is being reviewed by the Principals' Committee and it is hoped that the final product will be sent to parents in the very near future.

## ENRICHMENT PROGRAM

The Whately P.T.O., teachers and principal explored the enrichment program operating in Conway and a similar program was initiated in the Whately schools. This endeavor has been successful because of the cooperative efforts of all involved. I thank the P.T.O., staff, administration and persons in the community who participated and made this enrichment program worthwhile and beneficial to the children of Whately.

## SPECIAL EDUCATION

Mrs. Ruth Lyon replaced Mrs. Jeanne Schwartz as guidance counselor in the Union Schools. Mrs. Lyon's current schedule is as follows :

Monday	Old Deerfield
Tuesday	Sunderland
Wednesday	Whately
Thursday	South Deerfield
Friday	Conway

The case load is as follows :

	Feb. to June	Sept. to Dec.
Whately		
Number of referrals	14	12
Children seen	8	5
Sunderland		
Number of referrals	20	17
Children seen	11	8
Old Deerfield		
Number of referrals	13	8
Children seen	9	6
South Deerfield		
Number of referrals	12	14
Children seen	10	7
Conway		

Number of referrals	17	20
Children seen	11	9

In addition to counseling children in the school, referrals are made to cooperating agencies such as the University of Massachusetts Counseling and Family Service; Springfield and Northampton State Welfare Offices; Franklin County Speech and Hearing Clinic; Regional Office, Department of Education, Springfield; Greenfield Supplementary Education Center (GRACIE); Franklin County Mental Health Clinic. Time is also reserved for consulting with parents. Due to the various changes in special education, the Counselor has attended various state workshops.

### SPEECH THERAPY

Miss Christine Wong is the new speech therapist replacing Mrs. Phyllis Brown. At the beginning of school, it was necessary to give a speech screening test to all kindergarten, first graders, and new students who have entered from other schools. In addition, all children who were previously seen in therapy were re-evaluated. The following listed case load will fluctuate from time to time as children overcome their problems as a result of therapy and new ones are brought into the program :

Conway	9
Deerfield	20
Sunderland	9
Whately	5
	—
Total	43

Miss Wong has consulted with a number of parents and, when necessary, has visited the home.

### PERSONNEL

Resignations were received from Mrs. Phyllis Brown,

Speech and Hearing Therapist for the Union; Miss Pamela Sabato, part time vocal music teacher; and Mr. Michael Quinlan, part time physical education teacher. Two teachers: Mrs. Marie Gorey and Mrs. Lorraine Fitzpatrick are on sick leaves. Mrs. Isabel Montague, part time music teacher in the towns of Conway, Sunderland and Whately, retired after 46 years of teaching boys and girls in the three communities. We wish Mrs. Montague much happiness and pleasure in her future years. She gave very willingly of her time and skills.

Appointments are as follows: Miss Pamela Sabato was appointed to the part time music position, but resigned after a month to accept a full time appointment in another community. Mr. Jiman Duncan, a graduate of the University of Massachusetts with several years of experience, was appointed to the part time music position in Conway, Sunderland and Whately.

Mrs. Ruth Lyon was appointed to the Adjustment Guidance Counselor position effective early in January. She graduated from the University of Maine, and received her Master's from the University of New Hampshire. In addition, Mrs. Lyon has had a year of experience as a social worker. Miss Christine Wong was appointed to the speech therapist position and is a graduate of the University of Massachusetts. Miss Ann Will-ever, a graduate of the University of Massachusetts, has been appointed to the part time physical education position. Miss Linda Helstoski and Mr. James Bielunis are replacing the two teachers on leaves of absence. The teacher orientation program, which has been successful for three years, was again held in the latter part of August.

The salary schedule arrived at through long negotiations is for a two year period and is as follows:

# WHATELY SALARY SCALE

Effective November 1972 - August 1973

Career	10895.00	11295.00	11695.00

## BUDGET

The Whately School Committee along with all other municipal boards has been required by law to prepare an eighteen month budget for the fiscal period starting January 1, 1973 and extending through June 30, 1974. The budget after that date will be for the period of July 1 - June 30th of the next succeeding year. The purpose of this change is to have town budgets coincide with the Federal fiscal year. A great deal of time has been used preparing the eighteen-month budget, and to us, like others in the same situation, it has been a frustrating but worthwhile learning experience.

As kindergarten becomes compulsory in September 1973 an additional transportation cost will be included in the budget to provide for transportation of these pupils.

## MAINTENANCE

General maintenance of the buildings consists of the following:

*Center School:* Roof repairs, covering front steps, carpeting installed in two classrooms and main corridor and a leaching field for the septic system.

*East School*: Roof repairs, installed new electrical service and repairs and improvements to the water system.

### FEDERAL PROGRAMS

The Title I summer program for all subject areas was approved for the sum of \$2585.00. Participating teachers were: Mrs. Sophie Filipkowski, Mrs. Patricia Bell, Mrs. Irene McDonald and Miss Janice McDonald. Twelve (12) students participated in the six (6) week program. Field trips were made to the Leverett Craftsmen Artistic Center and a cookout at the Sunderland Town Park.

Funds allotted under Title II amounted to \$284.99 and was used to purchase books, filmstrips and transparencies.

### CONCLUSION

I wish to thank the school committee, administration, staff and townspeople for their willingness to support educational change that has been continuing during the past year.

WARREN D. BENNETT

Superintendent of Schools

## Report of the Music Supervisor

---

A music program, in order to deserve a place in today's crowded curriculum, must meet certain criteria most of which are used in evaluating other programs.

1. The student should be learning real skills, not passive artistry, nor the ability to mimic an adult music teacher.
2. The student should be involved physically as well as intellectually since all music performance is a physical act.
3. The program should actively involve all eligible students in said skill development, not just the four or five "gifted" children in each classroom. Therefore music education is of necessity not just vocal, nor just instrumental but all inclusive.
4. The student should find in the music classroom that drama which characterizes life around us.

The implementation of such a program, labored as it is by the fact that the average student spends just five and a fraction days of his or her entire elementary school program in a formal music classroom, hinges on at least four points:

1. That all involved base their participation on the use of their body in the making of music. (This does not exclude the brain.)
2. That the materials used for all grades be dramatic and relevant to the individual group in this or any other day *and* age.

3. That we continue to have the splendid cooperation of the individual classroom teacher.
4. That there be other curricular opportunities for further expression for both singers and non-singers.

We are working in the hope that on the whole we are living up to these standards, and that if we do, your children will become equipped with skills necessary to be active in music in their lifetime as performer, listener, or knowledgeable critic.

JIMAN H. DUNCAN

Music Supervisor

## Report of the Art Supervisor

---

The role of art in the classroom must never be underestimated. The graphic product reflects the stage of visual development of the artist. It is the sum of his ability to perceive and conceptualize through the art materials given him at any one time during his process of growing physically, mentally, intellectually, socially and perceptively. In a sense, the art process is a major educational contributor to the child's growth and development; to his personality and sense of security; and to his forming of vital motor skills. But most important to the young child, the efforts are his — and stand as direct statements of his small world. As the child is able to grow perceptually and becomes more sophisticated in his ability to conceptualize, he achieves a greater ability for complexity in his creative expression.

Encouragement and guidance from his teacher is essential to the child. Methods of motivation, inspiration, and stimulation are necessary to every art experience. The methods employed in my program are categorized under five areas.

1. The child's personal experiences —

Art activities based on the child's experiences and from the viewpoint of the child, i.e., carnivals, animals, holidays, firemen, etc. The child is able to talk about his world.

2. The child's imagination —

The child is characteristically imaginative. Such creative expression as the real and unreal are encouraged through poems, stories, story telling, and music.

Unusual materials also stimulate the child's imagination.

3. Creating from direct observation —

Direct observation develops visual keenness and encourages the child to SEE. For figure drawing activities are presented through discussion of proportions of the figure. Children pose in various positions while children sketch. Outside, children see buildings and discuss shape, size and space relationships of the structures. Natural and man-made objects aid in understanding structure, form proportion, color, texture, movement, action as they relate.

4. The medium for visual expression —

Opportunities are provided for experimentation to enable the child to discover new and unusual qualities in art materials. New ways to use the same old art materials as new materials and combining techniques are introduced.

5. Motivation through instructional materials —

Films, filmstrips, slides, reproductions, photographs, books, periodicals and models are integrated with performance activities to enrich the child's perception and observation and his knowledge of the art process.

Following the previous forms of motivation the children are continuously refining the skills they already possess and learning new techniques. This year new materials were introduced into the curriculum which enabled such projects as creative stitchery, painting on wood; in addition, many projects employed yarn, fabric, styrofoam, foam rubber, beads and wallpaper.

In each school there was a continuous display of the children's work which was beneficial to both the artist himself who was proud to see his work on display and to the viewer who was able to exercise his visual percep-

tion. More time and emphasis was given this year, in the primary grades, for discussion of his work by the artist with his classmates.

An additional art teacher was hired to teach one day a week in the South Deerfield school which now makes it possible for every class to have art once a week there. The kindergarten and special class is now able to have art weekly with an art supervisor. This was not possible previously. It is my hope that a continuous stress will be placed on the importance of art in the elementary classroom as a means of adjusting the child to himself and the expanding environment around him. Every child needs a method of making his statement to the rest of the world — teachers and parents must never discount any effort by a child to visualize an idea.

MARLAINE R. ANTES

Art Supervisor

## Report of the School Nurse

---

To the Superintendent, Principal, School Committee, and Citizens of the Town of Whately:

Our school health program includes numerous activities in which many different persons participate. The program may be divided into three interrelated parts. One part may be labeled health education, and the other parts healthful school living, and school health services. Each of the three parts is important; each makes a unique contribution to a total program.

Annual physical examinations by the school physician, Dr. Boeh, have been completed this fall. A few minor defects were found and followed through with the families. Diphtheria-Tetanus boosters were given to the fifth graders needing them and with parental permission. Heights and weights have been completed.

Teachers and school personnel were encouraged to attend the tuberculin testing clinic last winter in Greenfield.

Notices and reminders were sent home with all students regarding the importance of good hygiene and dietary habits.

A dental program was held for all third graders. Dental care kits were distributed and a film shown.

All students have the vision and hearing screening tests annually. Many failures have been found and several conferences were held with parents and school personnel regarding follow-through examinations and care.

A menstrual educational film was shown to the fifth and sixth grade girls, followed by a discussion period.

A German Measles and Mumps vaccine clinic for pre-schoolers and kindergarten through sixth grade was held with Dr. Boeh this spring. We are finding that parents are co-operating well with the immunization programs.

This past spring all third graders were given a throat culture due to the many sore throats. Six positive strep. infections were detected and treated by their family physicians.

Summary :

School Enrollment	112
School Visits	61
School Conferences	61
Home Conferences	16
Absences	677

In closing, I wish to express my appreciation to all school personnel and parents for their cooperation and assistance.

LORRAINE STRIPPE, R.N.

## Report of the Zoning Board of Appeals

---

There were 18 requests for hearings.  
4 for variances, all granted.  
8 for special permits, 6 were granted, 2 denied.  
3 were returned as not being under the jurisdiction of  
the Z.B.A.  
2 were allowed to withdraw without prejudice.  
1 amendment granted to original permit on an annual  
basis.

### In conclusion :

We respectfully express our gratitude for the loyal and dependable service rendered this board, as a member and clerk, by the late Andrew J. Rup. Andy always placed the best interest of the town first, in any decision or judgment he made on this board, over the past 10 years.

Respectfully submitted,

JOHN P. BOMBARD, Chairman

STANLEY W. HELSTOWSKI, Clerk

ALBERT ZASKEY, Member

WALLACE GRAVES, Alternate
